MONDAY 26 NOVEMBER 2018, TRANSCORP HILTON ABUJA

AFTERNOON SESSION: DE-RISKING THE ENERGY SECTOR
13:00 – 14.00  Lunch

14:00 – 14:10  Welcome and Brief Introduction to ATI by Sherry Kennedy

14:10 – 14:30  Keynote address by His Excellency Babatunde Fashola (SAN), Minister of Power, Works and Housing (Invited)

14:30 – 16:00  Panel Discussion - A Critical Review of the Nigeria Power Sector and the challenges of Independent Power Producers

  Discussion Points:
  - How can initiatives set out to improve the energy sector in Nigeria (mainly generation capacity & transmission) be improved upon and encouraged?
  - How can the contribution of renewable energy towards the total energy output be increased – are the current national targets achievable?
  - What challenges are faced by IPPs in Nigeria?
  - What opportunities are available in the Nigerian energy sector – IPPs, captive projects, distribution companies, NERC Eligible customers/Corporate PPAs, Mini-Grids, Meter Asset Provider regulations etc.
  - Is there an appetite for project financing in the energy sector – what could be the barriers, if any, and what benchmarks exist locally and internationally?

Speakers:
1. Dozie Okpalaobieri, Energy Sector Specialist, African Development Bank
2. Rumundaka Wonodi, CEO, ZKJ Energy
3. Dr. Joy Ogaji - Executive Secretary, Association of Power Generation Companies (APGC)
